

If you are a public agency, there are two ways to obtain a GIS dataset from the Town of Brookline:

1. Sign a [Memorandum of Understanding](#) (MOU in Adobe Acrobat Format) between your agency and the Town of Brookline concerning the exchange of digital GIS Data and GIS Data products. You will get the data for free. For detailed information, please contact Jed Fehrenbach, GIS Manager, at 617-264-6487 or e-mail [jfehrenbach@brooklinema.gov](mailto:jfehrenbach@brooklinema.gov)
2. Follow the purchasing procedure below.

If you are a private entity, follow the procedure below to purchase a GIS dataset from the Town:

Step 1: Goto [GIS Data Dictionary](#) , find and list all the GIS data layers you want to purchase.

Step 2: Download and complete the [GIS Digital Data Request Form](#) .

Step 3: Send in the data request form and a full deposit (if check, payable to the Town of Brookline) by mail or in person to:

Attn: GIS Data Requests
